Important Changes to SGE Analytical Science Products

September 15, 2014

Dear Customer,

We would like to inform you of some product changes within the SGE Analytical Science portfolio that may affect your current laboratory practices.

To simplify and improve product lines for customers, a selection of products will no longer be available from January 1, 2015. Please check the [SGE Discontinued Product List 2015](#).

If you require more of the products earmarked for discontinuation, please take advantage of our final order offer.

Date for final order acceptance: October 31, 2014
Date of last shipments: December 19, 2014

To order please contact your nearest Trajan office who will be happy to assist you. Office details are available at www.trajanscimed.com/contact-us

If you require further information on alternative parts please visit www.sge.com or contact techsupport@sge.com

Thank you for your continued support of SGE Analytical Science consumables.

We will continue to provide innovative solutions for your laboratory.
