PRESS RELEASE

Date: Wednesday, October 17, 2007

Title: SGE Opens China Office

SGE, the global manufacturer and supplier of consumables for Analytical Science has opened a new office in Shanghai, China.

SGE's China office will serve as the sales support centre for all of SGE's Chinese customers, distributors and as a liaison post for our international customers with operations in China, enabling SGE to better serve its client's current and future needs.

SGE's new territory manager for China, Ding Ren, will head the team. SGE is expecting China to continue growing in importance and has put in place the team and strategies to realize growth from this market with high potential.

SGE headquarters are located in Melbourne, Australia, with branch offices in Sydney, Australia; Mumbai, India; Paris, France; Sharjah, Middle East; Griesheim, Germany; Kanagawa, Japan; Milton Keynes, UK; Austin, USA; and now newly opened Shanghai, China.
